

Masako & Tomomi: Part 1

Listening Activity

Tapescript – Listen again and mark the intonation that Masako and Tomomi use.

T: So Masako, how was your date with Hiroshi last night?

M: It was wonderful! He's such a nice person. He took me to the Carlton for dinner.

T: The Carlton! Is he rich?

M: Well, his father's a lawyer and his mother's a doctor. He doesn't worry about money.

T: Well, what happened AFTER dinner?

M: Um, he took me to this little bar at the top of one of those skyscrapers downtown. We could see all the lights of the city from there.

T: How romantic!

M: Yeah, he's very romantic, and sexy! After that we went back to his house. His parents weren't home and...

T: AND???

M: Well, you know!

T: That's great. I wish I could find someone like Hiroshi. Um, Masako, you used a condom, didn't you?

M: Well, no, Tomomi, why should we use a condom? I'm on the pill. He's a nice guy and I'M sure I'M healthy! Besides, we had had a few drinks and I guess we weren't thinking clearly...

Now YOU try it!

With a partner, practice the dialogue.
Remember to LOOK at your partner when you talk! ☺

Now find a new partner and ask what they think about these points :

- Hiroshi is from a good family so he probably doesn't have HIV.
- You probably can't catch the AIDS virus or another Sexually Transmitted Infection if you have unprotected sex just once.
- The pill will protect you from HIV.
- It wasn't dangerous for Masako to have sex after she'd been drinking.
